## *“Prayer for the earth”*

*All-powerful God, you are present in the whole universe  
and in the smallest of your creatures.*

*You embrace with your tenderness all that exists.*

*Pour out upon us the power of your love,  
that we may protect life and beauty.*

*Fill us with peace, that we may live  
as brothers and sisters, harming no one.*

*O God of the poor,*

*help us to rescue the abandoned and forgotten of this earth,  
so precious in your eyes.*

*Bring healing to our lives,*

*that we may protect the world and not prey on it,  
that we may sow beauty, not pollution and destruction.*

*Touch the hearts of those who look only for gain  
at the expense of the poor and the earth.*

*Teach us to discover the worth of each thing,  
to be filled with awe and contemplation,*

*to recognize that we are profoundly united with every creature  
as we journey towards your infinite light.*

*We thank you for being with us each day.*

*Encourage us, we pray, in our struggle for justice, love and peace.*

*Composed by Pope Francis*
